2024/1039/P	J Snow	18/04/2024 09:41:28	OBJ	I strongly object to this proposal. Owing to the position of my flat (where I have lived for the past 24 years), I currently receive very limited natural daylight. The proposal to add an additional floor to Darwin Court will completely block out and deprive me of all natural light.
2024/1039/P	Emily Blackman	18/04/2024 11:06:31	SUPPRT	I am a former local resident and work locally. I believe this is a good design proposal which creates new homes. I feel that the housing crisis in London and the uk means we should be welcoming ideas like this to create more housing. I wish to support the planning application.
