Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

We wish to amend the number of windows to the rear facing elevation of the top storey of 3 Erskine Mews. All other plans will remain as the original application and subsequent NMA application (2024/0768/NEW) which has yet to be determined.

My client wishes to make this application to provide a better balance of natural light through their bedroom, preventing dark corners in the room.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We wish to add in an additional window. To prevent any material effect on the neighbouring houses, the opening and non-opaque window approved in the original application is being replaced with two non-opening, opaque-glazed windows, meaning that a loss of privacy is not possible.
