Hi Sam,

Below is the consultation document Camden have posted concerning installing bus lanes “ in most of Parkway”. If this goes through, which is quite likely, I would have thought, it would certainly undermine Secret Cinema’s avowed intention to direct cabs and cars picking up customers to do so in Parkway. Given the congestion in the High Street and Chalk Farm road, it could lead to a lot of pick ups taking place in Arlington road itself. This would create problems given the very limited time the traffic lights allow vehicles to move forward at the junction with Parkway.
