Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Full Planning Permission Granted**

Address:  
**Stables Market**  
**Chalk Farm Road**  
**NW1 8AJ**

Proposal: Replacement of entrance arches and gates with new entrance arch and gates.  
Drawing Nos: CM\_E\_1, CM\_E\_2, CM\_E\_3, CM\_P\_1 and Design and Access  
Statement Addendum (Rev A-01-2024)

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans CM\_E\_1, CM\_E\_2, CM\_E\_3, CM\_P\_1 and Design and Access Statement Addendum (Rev A-01-2024)

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission.

The proposed gates are considered accepted in design and scale; the gates are similar to the existing design and provides a sympathetic design in relation to the Camden Market itself and the wider area as well as the Regent's Park Conservation Area. The gates have also have been approved elsewhere on the wider Camden market site and therefore conforms to the prevailing character of the Camden Market. The signage is considered acceptable in terms of size and position and does not appear out of proportion with the Grade II listed wall or the markets beyond. The signage is considered modest, providing a gateway into the markets and considered to comply with Camden's planning guidance on signage.

The use of steel panels for the market signage and gate is also acceptable. Works including the lighting and lighting fixtures are discussed in the advertisement consent and listed building consent (2024/0374/A and 2024/0262/L)

Considering the nature of the works there would not be an amenity impact.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area under s.66 and s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

The planning history of the site was taken into account when coming to this decision. No objections were received.

As such, the proposal is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the policies of the London Plan 2021 and National Planning Policy Framework 2023.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road

closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)
