YOUR COMMENTS ON THE CASE

We would like to add final comments on Camden Planning Authority.

Ground A: The existing structure was damaged as mentioned previously. The door was damaged, glass was damaged, so we had to replace these anyway. Furthermore there was an existing shutter which council seems to be unaware of but this shutter was covering 70% of shop. We have just replaced it with a new shutter which is covering 100% of shop.

Ground B: We do understand but as we mentioned there was no response from Council.

Ground D: It was council responsibility to get back to us within reasonable time even if our application had less information. They shouldn't have kept us on waiting for so long.

Ground F: Some shops on Kilburn High Road have same shopfront (wide open) as us. The shops next to us has full glass doors. We can install similar shop front i.e., full glass shop front with glass door.

Ground G: We need a longer period as we are struggling financially.
