18 November 2014

Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Full Planning Permission Granted Subject to a Section 106 Legal Agreement**

Address:  
**1-7 Hargrave Place**  
**London**  
**N7 0BP**

Proposal:  
Erection of 4 storey building comprising light industrial unit (Class B1(c)) on ground floor and 6x flats on upper floors following demolition of existing light industrial unit.  
Drawing Nos: Site Location Plan; GAL 200 (PC) 001; 002; 003 A; 004 A; 005 A; 006 A;  
Design and Access Statement by Genesis Architects dated 29th May 2014; Code for Sustainable Homes Pre-assessment Report by Innervision; Daylight and Sunlight Report by Waldrums dated 2nd June 2014; Energy Statement by Innervision dated May 2014; Phase 1 Desk Study by Soils Ltd dated June 2014

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and

Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan; GAL 200 (PC) 001; 002; 003 A; 004 A; 005 A; 006 A; Design and Access Statement by Genesis Architects dated 29th May 2014; Code for Sustainable Homes Pre-assessment Report by Innervision; Daylight and Sunlight Report by Waldrams dated 2nd June 2014; Energy Statement by Innervision dated May 2014; Phase 1 Desk Study by Soils Ltd dated June 2014.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 Notwithstanding the provisions of Class B1 of the Schedule of the Town and Country Planning (Use Classes) Order, 1987, or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order, the ground floor commercial premises shall only be used for light industrial purposes (Class B1c) and no other uses within the B1 use class.

Reason: To ensure that the future occupation of the building does not adversely affect the provision of employment floorspace in the borough in accordance with policy CS8 (Promoting a successful and inclusive Camden economy) of the London Borough of Camden Local Development Framework Core Strategy and policy DP13 (Employment sites and premises) of the London Borough of Camden Local Development Framework Development Policies.

- 4 The lifetime homes features and facilities, as indicated on the drawings and documents hereby approved shall be provided in their entirety prior to the first occupation of the new residential unit.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 (Providing quality homes) of the London Borough of Camden Local Development Framework Core Strategy and policy DP6 (Lifetime homes and wheelchair homes) of the London Borough of Camden Local Development Framework Development Policies.

- 5 Prior to first occupation of the building, detailed plans showing the location and extent of photovoltaic cells to be installed on the building shall have been submitted to and approved by the Local Planning Authority in writing. The cells shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.

Reason: To ensure the development provides adequate on-site renewable energy facilities and does not harm the character or appearance of the host building or street scene in accordance with the requirements of policies CS13 (Tackling climate change and promoting higher environmental standards) and CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy and policies DP22 (Promoting sustainable design and construction), DP23 (Water), DP24

(Securing high quality design) and DP32 (Air quality and Camden's Clear Zone) of the London Borough of Camden Local Development Framework Development Policies.

- 6 Prior to the first occupation of the building a plan showing details of the green roof including species, planting density, substrate and a section at scale 1:20 showing that adequate depth is available in terms of the construction and long term viability of the green roof, and a programme for a scheme of maintenance shall be submitted to and approved in writing by the local planning authority. The green roof shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme of maintenance.

Reason: To ensure that the green roof is suitably designed and maintained in accordance with the requirements of policies CS13 (Tackling climate change and promoting higher environmental standards), CS14 (Promoting high quality places and conserving our heritage), CS15 (Protecting and improving our parks and open spaces & encouraging biodiversity) and CS16 (Improving Camden's health and well-being) of the London Borough of Camden Local Development Framework Core Strategy and policies DP22 (Promoting sustainable design and construction), DP23 (Water), DP24 (Securing high quality design) and DP32 (Air quality and Camden's Clear Zone) of the London Borough of Camden Local Development Framework Development Policies.

- 7 The use of the roof terraces shall not commence until the screening, as shown on the approved drawings, has been constructed. The screening shall be permanently retained thereafter.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 (Managing the impact of growth and development) of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework Development Policies.

- 8 All windows to the side elevation identified on drawing number GAL 200 (PC) 006 Rev A as being obscure glazed shall be installed as such prior to occupation and permanently retained as such thereafter.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 (Managing the impact of growth and development) of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework Development Policies.

- 9 The proposed development shall not be occupied until the whole of the cycle parking provision shown on the approved drawings is provided. The whole of the cycle parking provision shall be permanently retained and maintained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 (Promoting sustainable and efficient travel) of the London Borough of Camden Local Development Framework

Core Strategy and policy DP17 (Walking, cycling and public transport) of the London Borough of Camden Local Development Framework Development Policies.

- 10 At least 28 days before development commences:
- (a) a written programme of ground investigation for the presence of soil and groundwater contamination and landfill gas shall be submitted to and approved by the local planning authority in writing; and
  - (b) following the approval detailed in paragraph (a), an investigation shall be carried out in accordance with the approved programme and the results and a written scheme of remediation measures [if necessary] shall be submitted to and approved by the local planning authority in writing.
- The remediation measures shall be implemented strictly in accordance with the approved scheme and a written report detailing the remediation shall be submitted to and approved by the local planning authority in writing prior to occupation.

Reason: To protect future occupiers of the development from the possible presence of ground contamination arising in connection with the previous industrial/storage use of the site in accordance with policy CS5 (Managing the impact of growth and development) of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an

affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to [CIL@Camden.gov.uk](mailto:CIL@Camden.gov.uk)

- 4 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.
- 5 If a revision to the postal address becomes necessary as a result of this development, application under Part 2 of the London Building Acts (Amendment) Act 1939 should be made to the Camden Contact Centre on Tel: 020 7974 4444 or Environment Department (Street Naming & Numbering) Camden Town Hall, Argyle Street, WC1H 8EQ.
- 6 You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.
- 7 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
