2024/0222/P	Vivienne Haynes as attorney for Mrs Rodgers	01/05/2024 11:16:51	COMMNT	<p>I object to the planning application because it constitutes overdevelopment of the site having a impact on my flat and garden, and</p> <ul style="list-style-type: none">* the likelihood that - even if a condition is imposed requiring the development to be kept combined with the adjoining former Stables house - it is likely that in due course a successful application will be made for the lifting of that condition. This is reinforced by the fact that the applicant has already obtained a separate postal address for the Annex (54 Downshire Hill), different from the address allocated to the former Stables house (53 Downshire Hill).* Light pollution from the proposed skylights* Intrusion of the tops of the proposed solar panels over the top of the already very high wall between the application site and the garden of Hampstead Hill Mansions.
