Subject: The Covent Garden ODEON

[REDACTED]

I have already written an objection to the proposed extension to the top of the Odeon on Shaftesbury Ave.

I should have also included in my objection my concern as a neighbour about the damage this will cause to our much loved Phoenix Garden. The scale of the building will undoubtedly threaten the viability of this jewel in our neighbourhood.

Please turn down this damaging redevelopment of the old Saville theatre!

Yours,

Rick Fisher
