01 May 2024

Primrose Hill Primary School 36-40 Princess Road NW1 8JL 2024/1150/P + 2024/1528/L

No objection to the proposed waterproofing and repaving of the front areas.

Given that this building is Listed as on the land and within the curtilage of the Listed school building, we need to see dimensions and details of the proposed raised perimeter kerbs to the front porch. It is a prominent element of the Listed building, visible from the street in the conservation area

On the same grounds, we need to see details of the proposed replacement of the PVCu fenestration.

Both points could be addressed by condition.

Richard Simpson FSA
Chair PHCAAC.
