2024/1389/L	Simon Burton	07/05/2024 12:08:03	AMEND	This application is not 'commercial minor alterations', it is changing the original planning for the basement, 2nd and 3rd floors of the historic Town Hall. Where have the drawings disappeared to? This application should not be officer designated or internal decision. It is being fitted out as an entertainment centre with Kitchens, bars etc and the licensing application confirms this. This part of the Town hall is designated for private offices and SME occupation and should stay as such. We at Queen Alexandra Mansions will officially and publicly object to any change in this status.
