2024/1759/L	alan selwyn	06/05/2024 19:06:01	SUPC	This appears to be a duplicate so I shall add the same comments applicable;e to the other application 1219P Whilst we applaud the proposed restoration and the sensitivity and care taken in approaching this difficult project, we have reservations about the additional 1st floor extension which goes against the character and intention of the original building.
