Subject: Planning Application - 2024/0982/T

Dear Camden Planning Office

My wife and I live in 13 Weech Road, NW6 1DL and our house significant movements is due to the tree that has been requested to be removed in Planning Application - 2024/0982/T. I know the comments date passed on 8 of April, and I am wondering when a decision would be made as we are very keen to have the tree removed before we get fully into the new growing season and we have more damage to our house.

Would you be able to provide an estimate as to when the decision would be made?

Thank you
