

Community Liaison

Land on the corner of Barrington Court and Grafton Road.

15/03/24

Dear Neighbour

My name is Didier Ryan, I am an architect and the owner of the plot of land on the corner of Barrington Court and Grafton Road.

We have recently been granted planning permission to build a 3 storey brick house and plan to begin building works this summer.

We are planning the construction and implementation process, and preparing a Construction Management Plan, according to Camden Council guidelines.

Over the next 2 weeks, I'd like to hear from you and know any specific details that would help manage the works so they do not unduly impact on you, or the surrounding community.

My phone number is 07866440066

My email is dr@undercurrent-architects.com

I am available to talk over the phone (or text) and can also meet face-to-face if preferred.

I look forward to hearing from you.

Thank you for your interest

A handwritten signature in black ink, appearing to read 'D Ryan'.
