OBJECTION: 2024/0456/A - 127-128 High Holborn

Dear Planning & Bethany,

The BCAAC objects to the above planning application for the installation of externally lit signs to the front elevation, illuminated menu, 4 internally illuminated signs & etc. There are no documents attached to this application that gives any detail on the outlook of this proposal. Moreover it is put on 'Fast Track', supposedly issued on April 25th yet determined on April 23rd. This is unacceptable procedure in our Conservation Area.

For your information I attach a screen shot of the application on the Camden portal which also includes various spelling errors.
