To Whom it may concern,

Please be advised that I Belchin Sirakov (Director) of above company supplied and installed the sound Limiter system at ,The Forge Venue, 3-7 Delancy Street, Camden, London NW1 7NL. This included an installation of a sound limiter which is set to 93.5 (db) indoor!(inside the venue) . And from outside neighbour door at alley way, and window (1m) set to 56 (db)max . And outside the main entry of the Forge 56 db max, as instructed by management at our due to local authorities requirements.

We have sound checked the premises on numerous occasions and I can confirm that the sound limiter does not exceed 56.1 (db), with the most recent visit / check being approximately 1 Days(24hr, every hour) , 17/04/2024

If you require any further information, please do not hessite to contact me.
