Dear Debby

Regarding your phone call, I can confirm I made a site visit in February 2020 to look at your new conversion apartment in view of assessing the rental value. The apartment was fully completed as a new conversion.

However, we didn't go forward to market the apartment at the time due to the pandemic lockdown, which arrested our ability to do viewings in person because of the Covid government restrictions. We started marketing the apartment on the 28<sup>th</sup> of September 2020.

Kind Regards

Adam
