13th May 2024

Dear Mr Young

I am writing to you on behalf of my client Debby Lee, of 87 Leather Lane, who engaged our company to develop and create a new one-bedroom residential unit located in the rear basement and ground-floor of her property at 87 Leather Lane, EC1N 7TS (Flat 2)

Ms Lee engaged us in January 2019, and we can confirm we carried out all works by March 2020, working very closely with her architect Mr Elden Croy and the works were fully completed on schedule.

As you will appreciate the pandemic lock-down rules at the time, did delay site visits by London Building Control Ltd (appointed to manage the building control certification), and despite the building works being fully complete, the final works were finally signed off months after March, due to London Building Control's COVID safety procedures and the necessary site visits required.

Therefore, please accept this letter in support of the current planning application as confirmation that the apartment was fully finished as stated above.

If you require any further detail from us, please would you be kind enough to contact me on. 07836588166 and we will be happy to provide any other information you may require supporting your planning processes.

Yours sincerely

William Reilly

Director
