Drawing Nos:

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

1 Reasons for no objection:

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection, as the siting and scale of the development means the Borough would not be adversely affected. The development would have no material impact on the significance of any protected views, the amenity of any Camden

occupiers or visitors, or on transport, environmental, or ecological conditions.
Camden therefore raises no objections to the application.

Yours faithfully
