All measurements shown are in millimetres. All heights measured from local datum unless otherwise stated. Do not scale from document, all dimensions to be checked on site. Whilst we have taken care to measure every element of the property, we have not measured every area that are hidden or considered to be inaccessible access is unavailable. The measured survey is subject to the data not being part of a structural survey. No assumptions should be made with regard to the condition, construction type or material of any element shown.
