All measurements shown are in millimetres. All heights measured from total datum unless otherwise stated. Do not scale from document, all dimensions to be checked on site. Whilst we have taken care to measure every element of the property, we have not measured every area that are hidden or considered to be inaccessible or access is unavailable. The measured survey is based on the data not shown part of a structural survey. No assumptions should be made with regard to the condition, construction type or material of any element shown.
