E. GROUNDS AND FACTS

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? Yes No

(a) That planning permission should be granted for what is alleged in the notice.

The facts are set out in the box below

The appeal proposal maintains a shopfront and would not have an adverse impact on the vibrancy of the parade.

The appeal proposal provides a high standard of residential accommodation and is dual aspect. There is no parking available outside the premises or in the locality. The area is subject to a controlled parking zone. In any event the appellant is agreeable to the imposition of a planning condition to requiring the development to be car free.

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

(e) The notice was not properly served on everyone with an interest in the land.

(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.

(g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

The facts are set out in

the box below

The premises are currently occupied by a tenant on a tenancy agreement. It is therefore requested that the compliance period be extended from 3 months to 8 months.

F. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes No

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? Yes No

Please explain.

To fully assess grounds of appeal

2. Hearing

3. Inquiry

G. FEE FOR THE DEEMED PLANNING APPLICATION

1. Has the appellant applied for planning permission and paid the appropriate fee for the same development as in the enforcement notice? Yes No

2. Are there any planning reasons why a fee should not be paid for this appeal? Yes No

If no, and you have pleaded ground (a) to have the deemed planning application considered as part of your appeal, you must pay the fee shown in the explanatory note accompanying your Enforcement Notice.
