2024/1123/P	Joshua Brown	25/05/2024 17:51:53	AMEND	There is a significant opportunity to improve biodiversity and offset carbon emissions by including a green roof within the plan. Waitrose should be applauded for doing this in its Canary Wharf branch and as a forward thinking, green local authority, Camden should take similar steps to encourage its local businesses to protect the environment.
