Dear Josh Lawlor,

Planning Portal Ref – PP 12988929

Site Address – 14 Bedford Row, 12-13 and 14 Jockey's Fields

Proposed Development- Commercial change of use.

-From office to apartment/hotel

-partial demolition of link structure

-introduction of roof terrace, roof top plant and other associated physical works.

I am a member of the Planning and Conservation Working Group for the London Historic Parks and Gardens Trust, trading as London Parks and Gardens (LPG). LPG is affiliated to The Gardens Trust (TGT) — a statutory consultee in respect of planning proposals affecting sites included in Historic England's Register of Parks and Gardens.

LPG is the County Gardens Trust for Greater London and makes observations on behalf of TGT in respect of Grade II registered sites and may also comment on planning matters affecting other green open spaces of historic interest, especially when included in [LPG's Inventory](#).

In this case, LPG makes **no observation** because there is no relevant historic park or garden site that will be impacted.

Yours sincerely,

PA Smith
