

Dear Sir/Madam

As a direct neighbour of the proposed development above, I wish to object to what appears to be an overdevelopment of this site.

Your officers will be aware of the residential nature of the surrounding buildings, and it's hard to see that our quiet enjoyment thereof won't be influenced by the proposals

The size and design of the proposed building clearly overshadows the Ziggurat with a commensurate loss of natural light

I'm naturally concerned about the density of the development and possible affect on pedestrian and traffic safety

I would ask the council to consider a more fitting solution for the infill of this site, and certainly avoid any increase in height.

Yours faithfully,

Patrick Hayes
