2024/0819/P	Daniel	30/05/2024 23:03:59	SUPPRT	I am writing in favour of this proposal. It seems an efficient use of space, and an opportunity for JW3 to expand in an otherwise unused grey wall. Leon Fenster is a talented artist and I look forward to seeing what he will produce
2024/0819/P	Diane Dantzig	30/05/2024 21:27:22	OBJNOT	<p>A previous application for an advert on this same block of flats which was turned down in 2018. This was much smaller than what is now proposed. This would be an enormous lit distraction to the neighbours of JW3 who would have to put up with the illumination, into our flats, and of course a huge distraction to motorists driving along both Finchley road and Arkwright road.</p> <p>This is a residential area, and we should not be submitted to huge and unsightly hoardings. in fact we border on a conservation area and the wall that they propose to use is on a very lovely and aesthetially pleasing building.</p> <p>this is most inapporopriate,</p>
2024/0819/P	Roy Dantzig	30/05/2024 21:26:42	COMMNT	<p>This not a minor alteration it completely obscures the elegant stone wall purposely designed to complete the architectural merit of JW3</p> <p>My apartment, which comprises large glass windows, face directly on to the wall as do many other residents. This will have a major impact on the enjoyment of our apartment, particularly if lighting is permitted. The size will be overpowering</p> <p>An earlier application,albeit for a hoarding rather than" art work",was rightly refused as set out in Reasons 1and 2, which reasons are just as relevant today to art work.</p> <p>Frankly this would be a disaster for the building and its surroundings and should be refused.</p>
