2024/1031/P	ALAN SELWYN	01/06/2024 23:18:08	SUPPRT	What a fantastic scheme - every time one passes the clock-tower is a reflection on its sadly truncated form and wish for restoration. This is a wonderful opportunity to beautify this area for the whole community and every visitor to and passer-through Hampstead and a splendid enhancement of the conservation area. A mark of true philanthropy, as it could not benefit the owner (who is presumably paying for this) materially. I cannot imagine anyone would oppose this and simply wish to add my name to the many who will support it.
