2024/1646/P	TOM YOUNG	02/06/2024 12:20:42	SUPPRT	<p>I endorse this initiative to re-use otherwise wasted local resources to help strengthen nearby Queen's Crescent market and small traders generally who need storage</p> <p>Congratulations to Deborah Carpenter in the Camden MarketsTeam</p> <p>As a market trader myself, since 2017, I confirm the lack of market storage locally. Housing regeneration and slowness to do anything significant about the QC public realm improvement has caused storage loss. Carpenter's efforts are therefore extremely welcome</p>
2024/1646/P	David Tootill	04/06/2024 10:15:53	SUPPRT	<p>We need this site open and active for several reasons</p> <ul style="list-style-type: none"> * to make the area attractive * provide work/accommodation for residents * provide an income for LB Camden <p>Keeping it closed</p> <ul style="list-style-type: none"> * blights the neighbourhood * prompts anti-social behaviour * dereliction of responsibility by owner * promotes internal incompetence at LB Camden
2024/1646/P	Dinah Galllop	03/06/2024 09:51:16	COMMNT	<p>Hugely important there is storage for market traders around Queens Crescent. The market was - and can be again - the motor for Queens Crescent commerce/retail. Queen's Crescent is the only centre the planned intensive redevelopment of the surrounding area will get.</p> <p>Therefore support.</p>
