2024/2040/T	Jo Rhys Jones	03/06/2024 10:19:04	SUPPRT	I support the application to fell the tree. A magnolia grandiflora can grow to 90ft and is a completely inappropriate tree for a very small paved front basement area of a terraced house. As the immediate next door neighbour, we are concerned that the tree could cause damage.
