## **Site Address139-147 Camden Road Camden London NW1 9HJ**

Hello

Nevertheless, I would raise a comment that when we were viewing this property, there was a poster outside detailing this application. However, it has come to my attention that the red lines were not showing the correct area. The correct red area is in fact, directly opposite 212 Camden road. The poster is no longer there now. But obviously, given the new information I strongly oppose this planning application.

Thank you  
Deniece Baker
