2024/1382/P	KATY HESSEL	08/06/2024 09:45:52	OBJ	<p>Addendum to planning: I would also like to raise a further point – Page 3: 4 'Extensions of more than one storey must not extend beyond the rear wall of original house by more than three metres or be within seven metres of any boundary opposite the rear wall of the house.'</p> <p>To reiterate: the proposed extension proposed will dramatically impact my flat in a negative manner. It will change the feeling of my flat entirely, as it is built around the main room that looks out into the garden. It will spoil the beautiful view and the balcony will deprive me of privacy, as one will be able to see straight into my property through the bay windows, causing a sense of intrusiveness and a lack of an appropriately distanced boundary. No other property along the terrace appears to have such an open terrace area at this level. There is no precedent for such a roof terrace in this line of houses, and I strongly object to it.</p>
