2024/1774/L	Hannah Nicholson	09/06/2024 19:07:48	OBJ	<p>I wish to object to this application as it will adversely affect our privacy in our back garden as the windows of this extension will overlook our garden.</p> <p>Moreover, it will alter the skyline/ facade to the street of the properties in what is a conservation area as currently there are no mansard extentions in the block where this property sits (77-79 Arlington Road) or the adjacent one (81-85 Arlington Road).</p> <p>The only other mansard extensions are at 47-53 Arlington Road and 87-91 Arlington Road.</p>
