62 Falkland Road,

NW5 2XA

London

Planning statement

This planning statement concerns the house at 62 Falkland Road, NW5 2XA which has been now confirmed as C4 due to the previously granted lawful development certificate under the reference **2024/1204/P**.

We would like to change the use from the C4 to a C3 (as a single dwellinghouse) for the whole house (original house and the added kitchen extension).

Regards,

Nadia Ziri
