2024/2325/T	Lynnette Kyme	11/06/2024 10:56:13	INT	As many of the trees are heavily protected in this garden - as per original application to fell some of its trees, together with the fact that one Himalayan Silver Birch with a TPO was already wrongly felled when construction commenced, losing more trees in what was historically a beautifully verdant garden would seem at the very least unwarranted.
