Dear Matthew Kitchener,

[REDACTED]

2024/2042/P alan selwyn 11/06/2024 00:06:21 COMMNT The Belsize Society No objection but somewhat disappointing disjointed design between old and new which the application was seeking to overcome: the treatment of the door and ground floor window seems rather incongruous with the traditional sash above. This is in comparison with the bold and high quality design of the neighbouring coach house. A.Selwyn on behalf of The Belsize Society

Many thanks!
Alan Selwyn
