C/O Applicant
C/O Applicant

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

**Laurier Court
Laurier Road
London
NW5 1SE**

Proposal:

Replacement of all windows and doors to front, rear and side elevations with exception of those to the rear elevation at first and second floor levels.

Drawing Nos: LC/C/01-08.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: LC/C/01-08.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 if in CA of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 2 Reasons for granting permission.

The proposal is for the replacement of windows and doors to all elevations of the building except for the first and second floor windows within the existing rear elevation.

The host building is not listed or locally listed. It is located within the Dartmouth Park Conservation Area. It is also located within the Dartmouth Park Neighbourhood Plan area.

The existing windows would be single glazed and steel framed. These would be replaced with white uPVC-framed double-glazed windows. The existing timber doors would be replaced with new timber doors.

The existing property is relatively unique in the context of the conservation area in that it has a more contemporary appearance than neighbouring properties. The existing steel windows are not characteristic of the area. As such, their replacement with uPVC windows would provide thermal improvements to the existing residential accommodation within the building and would not negatively impact on the character of the existing building and the surrounding area.

Therefore, it is considered that the proposed works would preserve the character and appearance of the Dartmouth Park Conservation Area.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

The amenity of the neighbouring properties would be respected in terms of a loss of day/sunlight, outlook, privacy and noise disturbance.

The development is therefore acceptable in terms of its design, heritage and

amenity impacts, and for all other reasons.

No objections have been received prior to making this decision. The Dartmouth Park Neighbourhood Forum and CAAC groups were consulted and had no comments to make. The planning history of the site has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the London Borough of Camden Local Plan 2017, and Policies DC2 and DC3 of the Dartmouth Park Neighbourhood Plan 2020. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2023.

- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.

You can find advice about your rights of appeal at:

[https://www.gov.uk/appeal-planning-decision.](https://www.gov.uk/appeal-planning-decision)

If you submit an appeal against this decision you are now eligible to use the new [submission form](#) (Before you start - Appeal a planning decision - GOV.UK).

Yours faithfully
