2024/1031/P	CLLR Linda Chung	13/06/2024 10:13:20	COMMNT	To add to my previous comment; In consideration of its busy location and situation, I should add that I agree entirely with the comments made by the HNF that there should be an agreed CMP before any approval of the application , and certainly before start of work. I would urge the applicant to work closely with interested parties to minimise disturbance.
