

AREA EXCLUDED FROM APPLICATION

Notes

KEY

strip out

FLATS GENERALLY:

- * drainage provision as existing
- * new plumbing/electrical systems
- * new fittings & finishes in kitchens
- * new fittings & finishes in bathrooms. Where panelling exists, to be lined with Aquapanel board - or similar - and tiles).
- * new meters to each flat
- * new lighting circuits & fittings
- * after repairs are carried out redecorate walls, ceilings and internal joinery throughout.

REPAIRS - GENERALLY:

- *Floorboards: lift up floorboards to repair/fill in gaps
- *Stairwell: repair to steps, handrails
- *Stairwell panelling: repairs prior to any fire proofing
- *Windows: overhaul/draughtstripping (additional allowance for secondary glazing)
- *Doors: repair & refurbish in accordance to the fireproofing strategy. Refer to **Door Schedule** submitted
- *Fireplaces not to be brought back in use. Reinstall surrounds, grates and hearths for aesthetic purposes only.
- *All internal panelling where exposed within flats repair prior to any fire proofing.
- *Cornices/skirtings repair (where missing sections, or redundant sockets are removed, intersection with unsympathetic cabling/pipework...) & make good
- *Ceilings: lath & plaster repairs. Some rooms have artex, it may be more economical to leave (if without asbestos).
