Dear Sirs

Please take this email as in support of felling the Ash in the rear of 30 Belsize Park. I have paid myself on several occasions over the last 20 years for this tree to be loped, its roots however are close to the surface and has done constant damage.

As a previous owner of 2 large garden centres and a lover of plants, I do not say this lightly but sadly this is a tree which needs to go.

Yours

David Brierley.
