.....planning ref:-2024/0126/P at 117, Finchley Rd. The Gym Group's request to operate 24 hrs. As a resident in the Swiss Cottage area, I strongly object to this area being turned into a 24 hr activity zone. To bring business with the activity of people traffic as well as their vehicles surrounding it in the night is detrimental to our health and well being It serves a few and destroys many.

Please add my name to the objections.

Your sincerely Ms Elaine Chambers.
