---

In October 2023, SCS Railways on behalf of the nominated undertaker, applied to the London Borough of Camden under Schedule 17 of the HS2 Act for the approval of plans and specifications relating to the proposed Park Village East Berm Wall. The application was granted approval in December 2023 (local authority reference 2023/4585/HS2).

As a result of an internal review, some minor changes are now required to the approved drawings. This letter seeks confirmation that the changes can be considered as Non-Material Changes and therefore do not require approval under Paragraphs 2 and 3 of Schedule 17.

The non-material change are outlined below:
