2024/1312/P	Massimo D'Angelo	15/06/2024 09:57:23	OBJ	As tenants of 38A Bramshill Gardens (adjacent to 40), we wish to raise our objections regarding the balcony above the extension and the side windows, although we have no objections to the extension itself. Our concerns are primarily centred around the significant loss of privacy due to the side windows and the overlooking of our garden from the proposed balcony. Additionally, we are troubled by the imposing nature of the side privacy screen above us and the potential disturbance from noise associated with activities on the balcony.
2024/1312/P	PHILLIP RICHARDSON	17/06/2024 10:02:21	OBJ	<p>My objection is to the precedence set by the proposed terrace and from this particular height that would intrude on the privacy of nearby householders and their gardens. In addition , some activity on this terrace by the householders could create noise for the neighbours ,eg music /parties.</p> <p>Whilst the proposed side screens may give some protection they are themselves an unattractive mass and create shadow.</p> <p>The preference would be for an open flat roof without access from the house</p>
