2024/2042/P	Shao Lin	17/06/2024 09:47:54	SUPPRT	As an immediate neighbour (Flat 4, 162 Haverstock Hill), I have no issues with replacing the arched windows with rectangular sash frames, that match the rest of the 162 building.
2024/2042/P	Crispin Gray	15/06/2024 22:27:36	SUPPRT	We live next door to The Coach House (have done for many years) and are happy to see the proposed alterations go ahead. In particular we agree that the window replacements would make sense. Like the windows in the front of the main house, the Coach House windows are also visible from the street as one walks by. However the main house windows are not arched - so it would be appropriate if the Coach House windows matched.
