Subject: Application ref: 2024/2215/T

Notification of Intended works to trees located at:

**45 Cholmley Gardens
London NW6 1AH**

Application ref: 2024/2215/T

To Whom it May Concern,

Regrading the above application to remove x1 Silver Birch (T1) I have no objection whatsoever to the removal of the tree. In fact I am fully supportive and would be extremely pleased if this tree is removed. I live in the flat above No 45 and my balcony looks directly over the garden in question. The tree is huge and obscures not only the sun and light which makes the downstairs garden that I overlook very dark but also my view of the beautiful gardens that we have at Cholmley and the many varied trees in the communal gardens. As the neighbour most affected by the presence of this tree I give my wholesome support to its removal and hope that my voice carries some weight. I would also add that my downstairs neighbour, the owner of No 45, is a keen gardener and I feel it a real shame that the presence of this tree blocks so much sun light such that her garden doesn't flourish as much as it should. If this tree grows any taller it may also, in time, obscure some of the sun from my balcony.

Please permit her to remove this tree.

Many thanks for your consideration.

Best wishes,

Catherine
