

To whom it may concern,
This is in regards to the application for 9 Wilmot Place.

I frequently use the park opposite this location and I have seen the plans and I feel that this extension would be a complete eyesore for the entire area. It is completely different from any of the other houses on the street and it is not in keeping with the conservation area. Also, I saw on the plans that they are showing that number 8 Wilmot Place also has a mansard roof and that is absolutely incorrect as that property has an original roof in keeping with the area. Please do not allow this extension to be built!

Cheers,
Kerry Russell
