

Dear Mr Wong,

Thank you very much for your letter.

I would be pleased to meet your Environment Health Officer together with Sue Davis on site if possible to discuss a solution to placing an air conditioner in the Lower Ground Floor front area of the house, and could provide technical diagrams and details of suitable models from Daikin manufacturers' range.

As Sue Davis will be away for two weeks, and until we receive positive confirmation that if any planning permission is granted it will be conditional and personal only to the intended occupant with special circumstances as your letter describes, please accept this letter as a formal objection to an air conditioner being installed in the rear garden of No 28 Chalcot Square.

Thank you.

Yours sincerely,

Alison MacDonald
