Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

A Lawful Development Certificate is sought to confirm residential use of second and third floors of 7 Bleeding Heart Yard, London, EC1N 8SJ.

The existing use was granted on 09 May 2007 (ref: 2005/1833/P and 2007/0948/P) for the change of use from offices (Class B1) to restaurant (Class A3) at ground and basement floor levels, to workshop (Class B1c) at 1st floor level and the erection of a roof extension at 3rd floor level to accommodate a 1-bed residential live/work unit (Class B1/C3) at 2nd and 3rd floor levels. A further application (ref: 2023/3122/P) was approved in 2023 for the extension of the existing residential unit. This Lawful Development Certificate is proposed to remove all dual live/work (Class B1/C3) use to the unit.

Since the permission was implemented and then completed in 2009, the '1-bed residential live/work unit' has been used as purely residential (Class C3). No business rates have been charged to the unit nor have any businesses been registered to the 1-bed residential live/work unit. There are no additional units above those granted.

It is therefore the intention of this application to formalise the existing use of this unit and remove the Class E (previously Class B1) dual use.

Under what grounds is the certificate being sought
 ☑ The use began more than 10 years before the date of this application ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
The use as a single dwelling house began more than four years before the date of this application Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).
Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation? ○ Yes ○ No
Please state why a Lawful Development Certificate should be granted
The Lawful Development Certificate should be granted to formalise the use of the second and third floors as Class C3 after a continuous use since 2009, or 15 years. No business has been registered to this address since the approval's implementation and no business rates have been charged to the address. The property has been used as purely residential Class C3 since 2009 and as such the applicant would like to formalise this continued existing use, removing the Class B1 (Class E) dual use.
