

Tree work at 59 Canfield Gardens, NW6 3JL

2 Lime trees located in the front garden of 59 Canfield Gardens, NW6 3JL. To be pollarded to previous pollarding points.

As you can see from the photo on the left of the 2 lime trees, we would like to pollard them both to the previous pollarding points which will help maintain the size of the trees and will slow down the root growth as its very close to the house.
