Subject: 28 Chalcot Square Primrose Hill

Dear Mr Wong

We live in Gloucester avenue and our back garden seating area borders exactly with the basement area of Number 28 Chalcot Square
We are extremely concerned that an air conditioning Unit is planned to be exactly adjacent to our back garden seating area
We are very concerned that the noise from the air condition unit will disturb our peaceful area..and wish make a formal objection to this plan.
We hope to hear from you ,and that you will inform us of other ways for us to place our objections to this worrying plan.
Yours sincerely
Sandra and Howard Jacobs
