

Notes
 1. This drawing is copyright no part of this drawing to be copied unless written consent is given by the practice
 2. Do not scale from this drawing. All discrepancies to be reported immediately to the project co-ordinator.

PLANNING

Front Elevation

Notes:

Proposed windows are slimline timber double glazed sliding sash (front) and uPVC double glazed sliding sash (rear). this is the preferred option due to proximity of railway line & to reduce maintenance.

Rear Elevation

Notes:

Proposed windows are slimline timber double glazed sliding sash (front) and uPVC double glazed sliding sash (rear). this is the preferred option due to proximity of railway line & to reduce maintenance.

Rev.	Date	Description	Name

NOTES:

Report all discrepancies, errors and omissions. Do not scale from this drawing. Verify all dimensions on site before commencing any work or preparing shop drawings. All materials, components and workmanship are to comply with all the relevant British Standards, Codes of Practice, and appropriate manufacturers recommendations. For all specialist work, see relevant drawings.

This drawing and design are copyright of ARCHWAY BUILDING CONSULTANCY.

IMPORTANT

All drawings are to be read in conjunction with materials and workmanship and finishes schedules. The contractor is to advise on structural stability for works and strength of construction. The contractor is to provide setting out drawings prior to commencement. All drawings are to be submitted for approval to Archway Building Consultancy.
