Hi

Having just learned about the extent of the proposed redevelopment of the West Kentish Town Estate, ref 2022/5281/P, I hereby wish to register my objection to the scheme as it currently stands in view in the height and mass of the proposed buildings.

Our block at _____ is surrounded by this estate on three sides - to the west, east, and north. On all sides, the proposed buildings would be taller than our own block, resulting in a substantial loss of views and light. We will be completely hemmed in.

Please register this objection and inform me on any steps taken to reduce the impact of this development on the neighbours of the estate.

Regards

Marie Bennett
